RESOURCES, INC.

Quality Policy

Arizona Natural Resources' commitment to quality assures that we provide products that meet or exceed our customer's expectations. We strive to be the most knowledgeable and capable supplier of cosmetics, toiletries, and candles.

Our employees are the key to our success. Our employees know that quality begins with them. Every employee is dedicated to providing:

- quality products at favorable prices
- expedient delivery
- outstanding customer service

Producing quality products is critical to the success of our business. Our customers can rely on us to maintain:

- an FDA compliant facility
- a system of quality monitoring throughout all phases of our operation
- highly trained employees

Since 1972, honesty and integrity have been the cornerstone of Arizona Natural Resources' business. We understand that the quality of our products is not only a reflection of our company but also of our valued customers. That is why quality is the focus and responsibility of every employee at Arizona Natural Resources, Inc.
